19th Annual "Skin\$" Golf Tournament

Friday, August 13, 2010
Northview Golf & Country Club
6857 – 168th Street, South Surrey, BC

*We hope you'll consider joining us at the Vancouver & District Dental Society's **19th Annual "Skin\$" Golf Tournament** at beautiful **Northview Golf & Country Club**. This stroke play tournament with a "Modified Skin\$" format has proven to be of great enjoyment to most of our players, and has made for some great friendly rivalry among foursomes!*

*Your support of the tournament, as a golfer and/or a sponsor, would be greatly appreciated - we would love to see as many dentists and company representatives as possible enjoy the day. This year, we are pleased to support the **Dental Mission Project** with funds raised from the putting contest and raffle, and a **portion of each "skins" sponsorship** will top up this donation. The mission project is quite unique in its concept, so please visit the website at www.pattersondentalmissionproject.com.*

Please consider your company's involvement in one of the following ways...

- *A \$500 "Skins" Sponsorship*
- signage with your company logo on both front & back nine; power carts for your foursome
- *A Hole-in-One Prize (Hole # 9 - \$30,000 sponsored by Fine Arts Labs)*
- *Merchandise prizes or gift certificates*
- *A prize package for our charity raffle*

*Our tee times will be between **11:00 am and 1:00 pm** on the championship Ridge Course.*

Enclosed are tournament details and registration form.. we look forward to hearing from you!

Sincerely,

Gerri Randall, Exec. Director
Vancouver & District Dental Society
