

SPECIAL OFFER FOR VDDS MEMBERS!

Contact us
today and breathe
some fresh air into
your business.

Receive 10% off MRSP of Pura Air system portables and 15% off the rest of our models until December 31, 2020*.

Pura Air products are proven to reduce the risk of viruses in your dental office. Our products are designed to:

- > integrate seamlessly and quietly into your space with elegant and efficient designs.
- > increase air changes per hour and reduce fallow time, independent of existing HVAC systems.
- > capture 99.99% of nanoparticles including viruses such as COVID-19 and influenza, and return fresh, clean air back into your office space.
